Financial Update for May 2017

General Fund offerings in May (weekly envelopes, direct deposits and loose plate collections) totaled $29,200. This monthly amount is about $11,000 less than we need to meet our annual budget. We may enter the months of summer with a deficit in our General Fund.

May offerings for the Improvement Fund totaled $2,490. In May, St. John’s made a second payment to the preservation architect as compensation for a detailed assessment of the specific repairs needed on the exterior of our church. This detail provides information needed for our MN historical grant application and will be required when we seek bids for our restoration/preservation project.
