BIG CHANGES HAPPENING IN THE WELS

Proposed budget outlines impact of reductions

The Synodical Council released details about the proposed synodical budget that will be considered by the synod convention this summer. With expected financial resources approximately \$8 million less than needed, all areas of ministry are preparing to make significant cuts in their staffing and programs. Because of the extent and urgency of the budget reductions, some ministry positions are being eliminated immediately—you may be hearing about them from various sources. Waiting longer to begin those reductions would mean additional cuts later on.

The proposed budget includes two options.

- Option A calls for significant reductions in all areas of ministry but would enable the synod to maintain its two ministerial education prep schools.
- Option B would shift funds from Ministerial Education and provide \$500,000 each to Home and World Missions; this shift would result in fewer reductions in mission programs at home and in various mission fields around the world. According to the Board for Ministerial Education, Option B would make it possible to operate only one synodical prep school after the coming year.

President Mark Schroeder

Here is a brief summary of some of the reductions required by the proposed budget:

World Missions

Option A

Overall 23.5 manpower positions are unfunded; of the 23 positions, 15 existing missionaries will be recalled from the field, 4 are vacant positions that will not be filled, and 4 were planned positions.

All existing fields affected but still served at a reduced level; unable to enter 1 new field (Mozambique) as planned.

Option B

Four missionary positions eliminated under Option A are able to be retained under Option B.

Home Missions

Option A

21 called positions (18 pastors and 3 staff ministers) likely cannot be maintained; 2 of these are currently vacant.

13 mission fields likely to be lost.

Option B

Retains 7 of the 18 pastoral ministries listed above.

Six of the 13 fields potentially lost under Option A would be retained.

Ministerial Education administration

Options A and B

Allows for only a minimum level of program maintenance at the schools.

Reduces financial assistance provided by the budget.

Elimination of 1 clerical support staff.

(Continued from page 1)

Wisconsin Lutheran Seminary

Options A and B

Maintains existing faculty strength.

Several staff positions removed from the budget and funded from non-budgetary sources.

All areas of operation reduced to the lowest possible level of funding.

Martin Luther College

Options A and B

Reduction of 25 faculty and staff positions (of these 9.5 positions are vacant).

Increased teaching loads required of faculty.

Luther Preparatory School

Options A and B

Five faculty positions and 6 support staff positions eliminated.

Michigan Lutheran Seminary

Option A

Eight faculty and 5 support staff positions eliminated.

Option B

In the first year of the biennium, Michigan Lutheran Seminary is funded by a combination of reduced synod subsidy and Ministerial Education special funds.

In the second year of the biennium, the school is not viable, and all remaining faculty and staff positions are eliminated.

Parish Services

Options A and B

Position of the Parish Services administrator eliminated; 2 unit administrators and 4 support staff positions to be eliminated.

Most ministry functions supported by special funds and fees.

Retains Commissions for Parish Schools and Special Ministries as distinct entities with their own administrators; reconfigures remaining units of Parish Services into a new combined group (possibly called the Congregational Ministries Resource team) to carry out the functions of Adult Discipleship, Youth Discipleship, Worship, Evangelism, and Parish Assistance.

Ministry Support

Options A and B

Reduces programs and budget overseen by the Conference of Presidents and the Synodical Council.

Eliminates a total of 17 positions, reducing called and hired staffing from 72 to 57 within the areas of Facilities, Technology, Leadership, Christian Giving, Communication Services, and Financial Services.

What can I do?

Pray that God will bless our convention delegates with faith, courage, and wisdom as they make difficult decisions. Ask God to be with those whose calls have been terminated and who are waiting for a new place in which to serve him. Ask the leaders of your congregation to make these issues known to your members and to encourage generous and timely offerings even in these difficult financial times. Above all, trust that our gracious God will use this difficult situation to bless us according to his grace and wisdom and to enable our synod and all of our members to recommit ourselves to the mission that he has given us.

If you have other questions, please feel free to contact Pastor Engel who will serve as a delegate for this convention.

COORDINATING COUNCIL NOTES

from the June 18, 2009 Meeting.

The Board of Church Properties reported that the over spray from the band shell project in Central Park was cleaned up. The painter used cleaning solution and razor blades to clean the school and church windows that were affected.

- It was reported that the church & school will be upgraded to a faster internet connection as of June 22. This will help the secretary be more efficient with her time and during the school year, students will have more time online rather than spending that time waiting for a connection.
- The church will be purchasing Servant Management software, Quickbooks and a server at the cost of under \$3,000. This will help manage church membership, donations and bill paying. This software will make it more user friendly for future treasurers and data entry volunteers..
- The new website is up and running at www.stjohnsredwing.org. The website committee consists of three members, Steve Goelzer, Cara Adams and Gun Gunhus as the webmaster. Each person has an assignment. We will have a news page that will consist of news from the church, conference, district and WELS. There will be another page called "The Word" which will have Bible study materials, Bible verse search, sermons, sermon audio, and more. Fellowship Through Sports has a link now if you would like to keep up with the Church Fantasy Sports and softball. There are also school web pages, church calendar, the Pastors Update and more, currently on the new site. There is a link to the old site as well. Church leaders also all have new e-mail addresses. See page 5 in *The Reporter* for more information.
- Projector Project: The council really likes the idea of putting up a projector and screen to help enhance our worship service and make it easier for pastors and the school to use the device. But with the slow economic times the council felt that the voters should make this decision. So at the July 29, 2009 Voters' Meeting the Coordinating Council is **recommending that the Voters' Approve the Projector Project A-2 that with an estimated cost of \$14,166.** The funds will come from \$3,500 in memorial and the rest out of the Building Improvement Fund. If you would like to see the proposal, it will be available online at the www.stjohnsredwing.org site.
- The Cemetery Committee is working on regulations of who can purchase a lot in our cemetery. This came about from a recent purchase that the council has concerns about and there are no guidelines to be found. There was a document written in German that is currently being translated. More information will be given when the council received the document.
- The city had asked permission to use our parking lot for the grand opening of the Central Park Band Shell on July 4th. The council decided that because of liability concerns for those who don't know how to park in our parking lot and possible damage to church property it was not a good idea. So the council decided to unlock the gate and **encourage church members who are attending the festivities to please use our parking lot.**

Respectfully Submitted by Gunder Gunhus, Congregational President

**CONTEMPORARY
SONG SERVICE**
Mon., Aug. 3rd, 7 pm

Wendysue Fluegge, a Christian singer, pianist, guitarist, and recording artist, will be participating in a worship service on Monday, August 3, at 7:00pm at Saint John's Lutheran Church. The service will contain a mix of pastor's devotions, congregation songs, and solos focused on the theme of FAITH. With an ongoing music ministry since 1996, Wendysue (wendysue.com) has recorded four CDs and sung in 26 states. She frequents Minnesota and is a graduate of Bethany Lutheran College in Mankato. She and her family reside in Milwaukee, Wisconsin. All are invited to attend this special service!

FUND RAISER OPPORTUNITY

This year the Zumowatha Youth Softball League Tournament will be held in Red Wing at AP Anderson Park on **August 9, 2009**. The league would like to offer a concession stand for the players and parents to purchase something to drink and eat. This would be a great opportunity for a fund raising venture. The youth will be spending their time playing softball so we are asking if there is a church group who would like to have a fund raiser to contact Gun at 651-380-0939 or gunn82@q.com.

**16TH ANNUAL
LUTHERAN NIGHT!**
AT THE TWINS

Come and join the fun. Sign up to go to the Twins game on August 26th at 7:10 p.m. Tickets are \$22 for Lower Reserved, \$17 for Upper Club and \$8 for general Admission. There is a sign-up sheet on the back table in church. You must sign up by July 26th!

ST. JOHN'S SCHOOL NEWS

"You are not your own; you were bought at a price. Therefore Honor God With Your Body."

*Bought at a price.

 Doing all to God's glory.
 Your response to God's love.*

Congratulations to our Students of the Fourth Quarter!
 Felicity Buss,
 Tyson Dicke,
 Matthew Mehrkens, and
 Katrina Mehrkens

Why are These Children Smiling?

Just read what their teachers had to say about them...

...Felicity Buss is a very hard worker and always does her best no matter what she is doing. She is very caring and shows love and kindness to everyone in the room. Felicity's penmanship is AWESOME! Mrs. Denise Steffenhagen

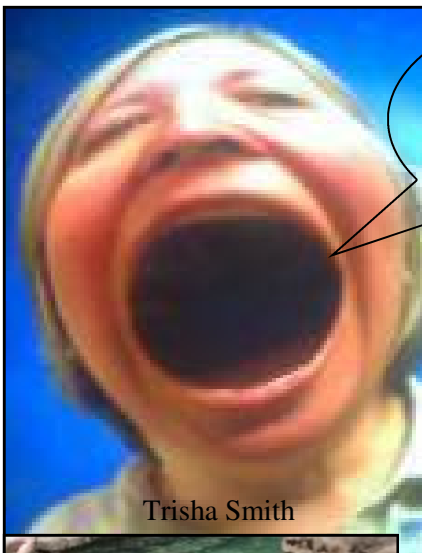

...He is "Mr. Happy" and is kind to other children in class and on the playground. He has improved nicely in reading and penmanship. One more thing, this student can kick a kickball and slam a waffle ball! I'm talking about Matthew Mehrkens, of course! Mrs. Alice Danell

...Katrina Mehrkens demonstrates Christian love for all her classmates. She has a kind and considerate demeanor. All of Katrina's assignments are in on time and done well. She has worked very hard, especially in Math this year, and has shown a lot of progress in all areas. (Yes, she is the sister of the above listed "Mr. Happy.") Mrs. Judy Vieths

...Tyson Dicke is quick to help with many different jobs around school. He works hard to get work done on time and strives for good grades. Mr. Benjamin Bain

"Very Caring," "Kind," "Demonstrates Christian Love," and "Quick to Help"

What awesome words these are! What awesome children these are!

Trisha Smith

Yes, I had a GREAT time on our field trip!

Mrs. Danell on another hair-raising adventure!

Annual Field Trip More Fun than Should be Allowed!

Our all school field trip began with a stop at *The Works*, a hands on museum in Edina. There the children broke into groups and attended workshops geared toward their age level. Everyone got to bring home a project they had built in their workshop.

When our time at *The Works* was finished we headed to *Como Park Zoo*. The animals are always interesting and the students would have liked to stay longer, but a good day was had by all.

Thank you to our chaperones!

We received \$100 from Our Family "Labels for Learning." Thank you, Darcy Gunhus, for mailing the labels.

We received \$500 from Wise Penney for our "God's Children Fund." Thank you!

We received \$1175 in Thrivent Matching Funds.

FELLOWSHIP THROUGH SPORTS

ADULT SOFTBALL: The Adult Softball team is not having a good year. The fielding is okay and the hitting is weak. But the other teams we have faced have been able to put the ball where they want it. Just recently the team lost 31-5 and 19-6. For team stats and schedules go to our church website at www.stjohnsredwing.org. The team is currently 0-7.

One more note is that Sidney Lindstrom is turning 80 this August. Sidney was the founder of the Adult Church League in Red Wing. There are plans to have a celebration in early August to celebrate his birthday. There will be an old timers game and a picnic afterwards. So if you played softball in the past for the church this would be an opportunity for you to strap on the cleats one more time. More Information will be sent out as the time draw nearer.

YOUTH SOFTBALL: The season is under way. Our team has played only one game thus far versus Goodhue. The team lost 23-16 but they were always in the game. The second game verse Rochester will be rescheduled because it was rained out. Team schedule and stats can also be found online at www.stjohnsredwing.org.

Last year's champ, brewcrew1, has been concentrating on college and has taken up the rear for much of the season.

The league has just finished their 11th week with 11 more weeks to go.

The league likes realigning every year so that each team can play different team each year. The realignment has taken place already. We will see if last years champ Mjolnir defend his title.
